Hydraulic Requirements: Functions not required

Model	Capacity @ 24" LC	No. of Spades	Weight	ET	HCG	VCG
T22-75-1	750	1	575	5	1.5	13
T22-150-2	1500	2	825	5	1.5	13

T22 Series Appliance Handlers are designed especially for lifting appliances packaged in folded top cartons.

The adjustable spade of the attachment, when located under the lip of the carton, lifts the appliance (in unison with the forklift carriage) from the top, while the bottom leans against a lower support plate.

Eliminate manhandling and damage to heavy appliances!
