

T4 Series Fork Extensions

➔ **Important:** Fork extensions are for stabilizing purposes only and should not exceed 33 percent of the fork blade or be used for carrying the load without full support from the appropriate fork.

Hydraulic Requirements: Functions not required

Models to suit 4" wide forks

Model No.	Weight of each Ext.	Fork Width	Extension Length
T4-4-48	41	4	48
T4-4-60	51	4	60
T4-4-72	61	4	72
T4-4-84	71	4	84
T4-4-96	82	4	96

Models to suit 5" wide forks

Model No.	Weight of each Ext.	Fork Width	Extension Length
T4-5-48	44	5	48
T4-5-60	55	5	60
T4-5-72	66	5	72
T4-5-84	77	5	84
T4-5-96	88	5	96

Models to suit 6" wide forks

T4-6-60	59	6	60
T4-6-72	71	6	72
T4-6-84	83	6	84
T4-6-96	95	6	96
T4-6-108	107	6	108
T4-6-120	119	6	120

Models to suit 8" wide forks

T4-8-72	81	8	72
T4-8-84	95	8	84
T4-8-96	108	8	96
T4-8-108	122	8	108
T4-8-120	136	8	120
T4-8-132	149	8	132
T4-8-144	163	8	144

➔ **Note:** For heavy duty fork extensions add "HD" to the end of the model no.

Things we need to know...

- ✓ Width of Fork
- ✓ Length of Fork
- ✓ Thickness of Fork

- ✓ Hook or Shaft Mtg.
- ✓ Forklift Capacity
